A creative, highly organized, and self-motivated autodidact who loves all aspects of video production.

I speak both Artist and Tech fluently, with an emphasis on clarity, style, and respect for client vision.

SKILLS

Video editing of all types: narrative, documentary, corporate, sizzle, music video, and social media.

Ingestion, logging, transcoding, proxy workflow, color/sound delivery, and export of visual and audio assets in Adobe Premiere Pro.

Meticulous media organization and naming.

Remote coordination with Directors, Colorists, Sound, and multiple VFX Artists over numerous revisions.

Teaser/Trailer creation for existing projects.

Sound Design and audio syncing.

Online research and media sourcing.

EDUCATION

Bachelor of Science in Communications,
Eastern Michigan University

Various Film Lighting/Grip tech certifications, available upon request.
